

Being a Fountain of Hope

New Life International Foundation for Children Monthly Newsletter

March 2019

Issue One

Welcome to Our First Issue of The NLIF Newsletter

Our plan is to publish a newsletter 6 times per year to provide you with updates and information about your students and the school.

We hope this is a blessing to you and becomes an anticipated communication about your partnership with the love, care, and education of the students and staff at New Life Foundation.

The Food Shipment has Arrived!

Give Thanks!!

The food shipment of nutritious dried food donated by Convoy of Hope left the US by ship on January 7, 2019 and has arrived at the Tanzanian port on March 9, 2019. It is now being transported to the school in Moshi. This will provide over a years' worth of food to supplement the vegetables grown locally.

The ability to provide a reliable, nutritious, and delicious food source for the students, is both a blessing to their health and ability to learn well and a significant financial assistance to the school. This shipment also included 52 boxes of science curriculum for primary through high school students. They were donated by the Madison Christian School in Columbus, Ohio.

Please join us in giving thanks to God for these donations and the donations to cover the shipping and transportation expenses of the 40' container.

Thank you!

JOIN US ON A MISSION TRIP TO MOSHI, TANZANIA! July 11 – 21, 2019

We are gathering a team to serve the school, students, and staff at New Life Foundation from July 11 – 21, 2019.

**You can be a member of our team
We would love to have you!**

This will be a time to meet and serve the students and staff, providing a variety of services based on your abilities and interest, visit the homes and families of the students and provide a ministry of love.

Participate in New Life Foundation's Bi-annual International Conference celebrating the work God is doing through the school.

We will help you with the travel planning, including airfare, lodging, meals, local travel, obtaining visas, and any local excursions you want to add. The cost is approximately \$3,700 per person. We can also help you raise funds for this trip.

If you are interested, please submit a [Mission Application Form](#) from our web page and contact David Schlachter at info@newlifeif.org. We hope to see you on the team.

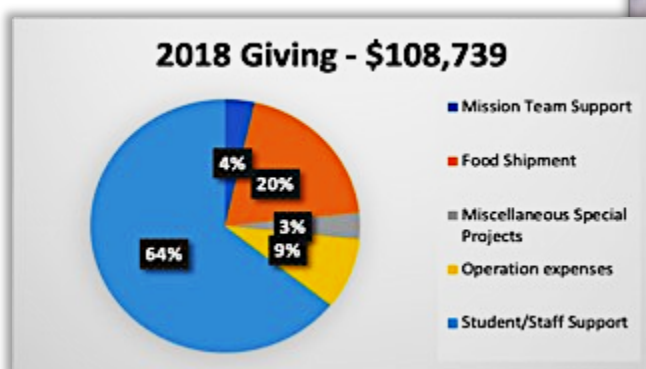

Time is short, start your planning today!

Your Faithful Gifts in 2018 Made a Difference

*Your faithful giving and partnership have made a significant difference
for the students and staff at New Life Foundation.*

In 2018, we received \$108,739 from 94 faithful donors. These funds supported 75 sponsored students; helped support the staff; provided funds for shipping food and books; supported several small special projects; sent a mission volunteer to serve the school; and helped support NLIF coordinate and assist in this service.

Thank you, may God bless your generosity!

With year-end giving in 2017, we were able to send \$82,427 directly to New Life Foundation in 2018.

What is God Doing at New Life Foundation – Fountain of Hope?

We Would Like To Introduce NLF Fountain Of Hope New Headmistresses

Anna J. Ihonde, Headmistress of the Secondary School

Anna has a B.A. in Education. She has taught English at the Secondary School since her inception. We see the results of her passion for teaching and commitment to NLF's mission and vision everyday through her students.

Agnes Mushi, Nursery and Primary School Headmistress

Agnes has a Diploma in Science Education. She comes to us with extensive experience from various other schools throughout the region. We have benefited greatly from this experience and in a short period of time, she has proven to be hardworking and fully committed to the students and NLF's mission and vision.

Fountain Of Hope Is Completing Primary School Classrooms And New Playground

New Life Foundation's Fountain of Hope school continues to improve its classroom facilities so it can provide the care and education for its students which is at the core of their mission. The first floor of new primary school classrooms are being completed and being used.

With the classroom comes the need to provide playground equipment for the students. This provides a wholistic and well-rounded learning experience for them.

**The generosity of our donors and volunteer mission staff have made these improvements possible.
Thank you for your love for the students!**

***“Whatever you did to one of the least of these
you did it for me.”***

Matthew 25:40

Thank you so much for sponsoring children from New Life Foundation; you have been a great blessing to each one of us. About 70% of the students in our school cannot afford to pay school fees. They have been able to get the quality education and spiritual help through your help. Your support has helped us to reach our dreams and to get the same quality of education with the one who could afford to pay the school fees.

This support has helped us to be at the place where world transformers are transformed so as to transform the world through bible-based education, training and empowerment program in New Life Foundation. Thank you so much for touching the lives of His children.

By Glory Cosmas Otaru

Glory is 15 years old. She has been a student at Fountain of Hope for 9 years and is in Form 3 classes (Junior in high school). She hopes to attend university and become an IT Technician.
